Our Mission is "To be a life-changing Christian community where people meet, love and serve the Lord Jesus Christ."

Change

Change: It comes whether we like it or not. It comes when we are ready or not. It comes sometimes as a gift and other times as a burden. It comes sometimes because we work for it, or sometimes in spite of us. It comes in the weather, with our phones, the way we pay bills, praying the Lord's Prayer, clothing styles, our bodies, our food, how we live our faith, and even the way we may cut our hair. Sometimes we long for change, sometimes we loathe change. But change comes.

I was at Luther Seminary interviewing candidates who are interested in Our Redeemer as an internship site and the room I was assigned to was one floor below where I lived when I went to seminary there. But it was a different place now. The dorm rooms are empty - in part due to health and construction concerns, but also because the numbers of student are down. The numbers around campus were far less and an obvious sight that many of the students are in the DL program - they are Distant Learners who take many classes on line and come to campus for some intensive courses in January and June. Change is coming to the seminary.

I could not help but let it remind me so much of what we hear about the church today that we need to be prepared for change as the church is not, nor will be, like it was for the past generations. For example, more young adults now consider themselves 'non-es' meaning they do not belong to any religious group. Others who grew up deeply engrained in the church are taking to a more individualized sense of 'being spiritual but not religious'. The way many people see and experience the church is changing.

The gospel is still the same, the wonderful work of Christ on the cross and by his words continue to be what frees us and sends us, the living/active word of God continues to shape lives, and the church is still the center of gathering the worshipping and serving community. But to be an active, engaging, healthy congregation requires more than it ever has - change is important and necessary. This is hard news for us, but also good news if it continues to help us live mission minded lives for Christ's work that have us caring for the church, the community and each other.

During this Lent we are taking a deeper walk into the understanding and call as people of faith to be justice minded and justice focused. This is a meaningful pull on our lives. This is a holy touch to help make the important things really important and to live with a Christ-like love sending us. But it is obvious to us in these studies and worship that it also calls for a change in us - and that is not easy.

Change keeps happening. Some of it might not be so good. Much of it is hard. But the bottom of much of our lives we know that God's work is about continually changing us - heck we have dubbed ourselves "a life changing place", and this is not just intended for some others. Change is good even if it is hard. Change is important even if it is difficult. Change will come - and it can be good. Lord help us with change!

Pastor Karsten

Evangelical Lutheran Worship Reflects Core Lutheran Beliefs, Unity, and Diversity

“Jesus Christ is the living and abiding Word of God. By the power of the Spirit, this very Word of God, which is Jesus Christ, is read in the Scriptures, proclaimed in preaching, announced in the forgiveness of sins, eaten and drunk in the Holy Communion, and encountered in the bodily presence of the Christian community...ELW, p. 6.

Over the last year at Our Redeemer, the Worship and Music team has had conversation about transitioning from the *LBW* to the *ELW*. During that time, we have piloted the hymnal for Advent and Lenten services to get a taste of some of some of the new songs, liturgies, and settings that it offers.

I first sang along and used the *ELW* in college. At Augsburg, students and faculty and staff gathered every day in the Hoversten Chapel for worship. The *ELW* provided rich liturgies, prayers, and songs that reflected our faithful, diverse, and transient community, mainly because it combines hymns and settings from other worship books - the *Libro de Liturgia y Cántico*, *Renewing Worship*, *This Far By Faith*, *With One Voice*, and *Worship and Praise*. In this sense, the *ELW* does what many hymnals have failed to do, combine resources from a broad range of cultural, ethnic, generational, economic, and theological perspectives. It provides a framework to assemble for worship as the diverse Body of Christ to be paradoxically Lutheran and ecumenical, local and global, grounded and visionary.

Though much of the content looked and felt new, much of the green *LBW*, including the settings we use most often at Our Redeemer are embedded in the cranberry *ELW*. The *ELW* also helps to carry more than any other hymnal the fundamental Lutheran conviction about the centrality of the means of grace. It translates the Word of God, read, preached, poured out in Baptism, distributed in the Meal, sung, and lived-out by Christian communities, into contemporary language and usage. This translation is always the task of the Church in every age.

As we move through Lent and utilize the cranberry *ELW* more, we plan to officially roll out the new hymnal in its entirety on Easter Sunday, as we praise God for new life and Jesus' Resurrection. Ahead of this celebration, we will also lift up an opportunity to exchange a green *LBW* for home use and to purchase a cranberry *ELW* that you can dedicate for your family or in memory of a loved one to the church (you may also purchase and dedicate without exchanging). The cost for each hymnal is \$22.50 and they can be purchased in March using the worship insert. Bookplates will be attached to hymnals that are purchased in memory or honor of others.

As we follow Jesus to the cross and grave, we also look to the promise of hope and new life. The *ELW* seeks to facilitate and translate God's Living Word through each season and ground us in worship each new day. Just as the *LBW* has brought many years of joy and grounding to Our Redeemer, may the *ELW* provide that same spark and song for generations to come.

Yours in Living Word and Song,

Peter

Here are some quick facts that summarize the culmination of the *ELW* service book

- The *ELW* was published in 2006 and was the result of a five-year *Renewing Worship* project.
- The *ELW* contains ten musical settings for Holy Communion, plus Service of the Word.
- The *ELW* contains ALL 150 Psalms (NRSV).
- The *ELW* contains nearly 700 diverse hymns, songs, and service music pieces (53% are from *LBW*, 20% are from *With One Voice*, 21% are from *Renewing Worship*, 6% from *Libro de Liturgia y Cántico*, *This Far by Faith*, *Worship & Praise*).
- The *ELW* contains Luther's Small Catechism.
- The *ELW* contains Daily Readings.
- The *ELW* contains four Daily Prayer Services (Morning, Evening, Night, Responsive Prayer).
- The *ELW* contains service for Rites of Passage (Marriage, Funeral, Healing, Baptism, Affirmation of Baptism).
- The *ELW* contains service for Lent and the Triduum (the Three Holy Days).

Easter Services and Holy Week Schedule

Palm Saturday	Easter Egg Hunt 10:30-Noon
Palm Sunday Worship	10:00am (One Service) Breakfast from 8:30-9:30am
Maundy Thursday	9:00am & 7:00pm 10:00am Breakfast
Good Friday	7:00pm
Easter	8:45 & 11:00am

On Palm Sunday, Pastor Jonathan Swenson will be performing the drama "Witnesses" at 10:00am. This will be the only service on that Sunday. Please come out to support him and be entertained. We will also be having our Palm Sunday breakfast that day from 8:30 - 9:30am. Sunday School kids are welcome to come and watch the Easter movie from 9:30-10am. There will not be regular Creation Stations that day.

Palm Sunday Breakfast

Palm Sunday (March 24th) is going to be a wonderful day at Our Redeemer! Before the 10:00AM special worship service, come have some breakfast and support the youth who will be going on the mission trip to New Orleans this Summer! We will begin serving breakfast at 8:30 AM and we will serve until 9:30 AM. This will be an excellent way to have a relaxing morning of coffee, fellowship, great food and should leave plenty of time for us to make our way down to worship!

Paris Thanks

On behalf of me and my family we want to thank you for the concern, the care and the support we received during our health emergency with our daughter Katie in January.

On the last day of a study abroad class with Augsburg College Jackie and Katie visited a hospital because of severe problems with breathing and a bad cough. Katie was admitted to the emergency room and spent the next two weeks in the hospital with great God-gifted medical staff tending to her.

It was a long, hard road for us, but with good end results. Our Redeemer was great to let me fly there to assist with what was necessary care, provided lots of encouragement and support through prayers and notes, and approved this time away as sick leave. Peter stepped up in great ways when I was gone as did others in the congregation.

Your care was great and we are very glad to be back with you. The best news is Katie is recovering well and able to be back at college part time this semester. Our deepest thanks go out to you!!

Children's Ministry Update, March 2013

Pajama Party service project:

The Pajama Party service project kicked off Sunday Feb 17, during Creation Stations hour (10 – 10:50 a.m.). We will continue to collect donations of new pajamas and story books for kids who are less fortunate than us through March 3. They will be donated to the local chapter of Pajamaproject.org.

Easter Egg Hunt:

The annual Easter Egg Hunt is on schedule for Saturday, March 23 from 10:30am—noon.

Children ages: Toddlers (walking) through 5th grade.

If you would like to volunteer for this event please contact anyone on the Children's Ministry Team: Carmen Snaza, Christine Reeves, Holly Forsberg, Cherie Kilbride, Kelli Ryman, Kari Keating. Please dress your kids for the weather. With the early Easter this year we might get snow but we always have the hunt, regardless of the weather.

We will be accepting donations of individually wrapped candies and small toys to fit inside plastic eggs. Please look for the donation basket in the Narthex and thank you for your generous donations.

March Children's Ministry Committee meeting: March 7th at 6 pm

Hire a Youth

Have some shoveling or Winter yard work to do and think you might need some help? Please consider hiring a missionary! The youth who are going on the mission trip would be glad to come and help out with your work in exchange for your sponsorship of their trip this summer! Please contact Aimee Pakan either with a phone call at church (772-2445 x 106) or through email at aimee@orlcmn.org if you have some work to be done, and she will connect you with some energetic youth who'd love to help out!

Youth Group Wild Hockey Game

The High School and Middle School youth will be going to the Wild hockey game on Wednesday, March 27th. The cost will be \$24.00 per ticket. There are only 2 tickets still available for youth! Sign up now on the youth room door and reserve your spot!

The game starts at 8:00 PM. Payment to reserve your ticket is due by Wednesday, March 20th. More details about a meeting time, etc. to come as we get closer to game day.

MISSIONS MOMENT

This year our missions Lenten focus will be on hunger issues. In 2012, Minnesota families visited food shelves more than three million times. ORLC will be participating in the Minnesota FoodShare March Campaign. For 31 years Minnesota FoodShare has directed this March Campaign, which the largest food drive in the state of Minnesota. It recruits thousands of congregations, companies, schools and community groups to run local fund and food drives to aid in the effort. A statewide media campaign is launched to promote those donations and it is the only one of its kind and raises more than half the food distributed by almost 300 food shelves. It also acts as a clearinghouse for cash donations and distributes them to Minnesota food shelves. **The March Campaign is the only statewide grassroots effort where every dollar given goes directly to local food shelves to fight hunger.**

EVERY SUNDAY IN MARCH, we will be collecting food and cash donations which will be donated to this campaign. Suggested donations are:

Food Donations— All types of nonperishable food, paper, personal hygiene and cleaning products.

Cash Donations—Which are easier to collect and deliver. Food shelves can stretch cash donations further because of their access to discount products and programs. Cash also gives them more flexibility to acquire perishable items like fresh produce, meat and dairy products.

Look for our display and collection point in the Narthex, starting March 3rd.

Join us for special visit to the State Capitol Thursday March 7

Our Redeemer is one of many congregations taking a day during Lent to visit our elected officials. As a part of Isaiah's "40 Days of Prophetic Vigil," we are inviting members to come together on Thursday, March 7th and gather as people of faith to thank our elected officials for their work and to encourage them to act on various justice issues - like supporting the Housing Foreclosure Bill of Rights and working against Human Trafficking. We will meet at Our Redeemer at 8:30am, get a brief preparation for the day at 9:00 in Christ Lutheran Church (located next to the Capitol), have prearranged visits with our elected officials, and return about 11:30am. Talk with Pastor Karsten or Pastor Peter about joining us and a handful of others who are coming.

Second Harvest Kingdom Assignment Service Celebration

Thanks to all who attended February 5th event to pack grocery boxes at Second Harvest Heartland in Maplewood. The crew had a great time having some fun, laughter, and working hard. Congratulations to this crew who should be proud to say they are 1 of only 4 teams to ever pack 14 pallets worth of grocery boxes, that were 100% shippable. This equates to 700 boxes of food totally 24,500 pounds. That is over 12 tons of food that our team processed to help feed those in need in Minnesota. That means 20,417 meals will be served due to our 2 hours of service! Great job ORLC team! If you are interested in joining in on the fun, watch for the registration for our April 9th slot from 5pm -7pm. Remember that children 11 and older can come and help if they are with a parent. So come serve as a family too.

Volunteers needed for 622 Project Family Connect.

On Saturday, April 20, the North St. Paul-Maplewood- Oakdale School District will hold its third annual 622 Project Family Connect, which helps families in the community connect with the resources they need. The event will once again be held from 8 A.M. to 2 P.M. at Woodland Hills Community Church, 1740 Van Dyke Street, Maplewood.

Event will include free food, basic need items, on-site child care, transportation assistance, government, non profit, and community service providers Services and Resources Available: Shelter/Housing, Education, Parenting, Employment, Food Support, Dental, Legal, Medical.

Planning committee members are currently seeking volunteers to help with the event. For the past two years, more than 200 individuals have volunteered their time and talents to make this event a success. For more information about the event, visit <http://www.isd622.org/Page/502>

Intern Updates

With the recent hosting of the ordination service for Nile Sandeen on February 2nd we thought it would be good to give you a little update on our previous interns, and even include some contact information if you care to send them a word of encouragement.

Janel Kuester is finishing out a two year term call to Farmington Lutheran (20600 Akin Road, Farmington, MN 55024) which will be completed in April. She is in the interview process now within the St Paul Area Synod and awaiting a new call.

Chris Johnson continues to serve as Pastor at Christ the King in Escanaba Michigan (1230 North 18th St, Escanaba, MI 49829). He is now serving in his third year there and last year he and Heather welcomed a second child to their family.

Nile Sandeen was excited and delighted to begin serving as Pastor at Mt Sterling and Utica (PO Box 104, Mt Sterling, WI 54645) on Ash Wednesday. This is a setting where these two churches worship together but alternate the sites from week to week. Folks from those communities came up here with trucks and helped Nile and Nicole move down there on February 9th.

Tricia Mattson is completing her final year at Luther Seminary and has just been accepted as a possible Mission Developer and been assigned to Region 3 which comprises of MN, ND & SD. On Feb 28 she will know which synod in that region she will be in where she will await the call process to interview at congregations or be called to start a brand new congregation.

Peter Weston Miller will continue his year of internship with us (he is at the six month mark) and then return to Luther for another year of study and await assignment to a synod and the interview process.

Pastor Karsten spent time at Luther Seminary in the middle of February interviewing interested candidates to be our next intern. We will find out who gets matched with us in the middle of March and look forward to another year as partners in this program.

Dear Friends and Family,

“Everyone who drinks this water will be thirsty again, but whoever drinks the water I give him will never thirst. Indeed the water I give him will become in him a spring of water welling up to eternal life.” (John 4:13)

As we continue our Lenten journey, I would like to focus on, “Living Water: God refreshes our bodies and our souls.” The season of Lent is often a time for renewal, change, new growth, and reflection. I’d like to propose some action related to our use of water.

Living Water for our Bodies:

Water is important to all living things – physically it is the most abundant substance on earth and in our bodies. Sixty percent of our bodies is water. We and all living things need large amounts of water to function and grow properly. Even Jesus was thirsty. In the account of Jesus and the woman at the well, He asked her for a drink of water. Most of us do not drink enough water. This Lent I offer you a challenge to consciously increase the amount of water you drink each day.

How much water do I need to drink?

In our land we are blessed with an abundant clean water supply, yet we often fail to drink enough plain water. For most of us, (unless your Doctor has directed you otherwise) we need approximately eight glasses (8 ounce size) of water each day.

What does water do for us?

- Removes waste products effectively
- Assists in digestion and metabolism
- Helps regulate our body temperature
- Lubricates our joints
- Assists in breathing
- Helps maintain a fluid balance
- Helps with weight reduction

Living water for Our Souls:

Our Loving God has provided living water for our souls. Without this living water, we are spiritually dead. Indeed, thinking of that familiar glass of refreshing water as a symbol for life makes a lot of sense both physically and spiritually. In the Bible, the reference to living water is usually understood to mean the gift of the Holy Spirit.

How much Living Water do I need to drink?

We need to “drink” in the Holy Spirit until we are filled with the Lord. God’s supply will not run dry! This Lent I encourage you to care for your precious souls and be filled with the Holy Spirit.

Stewardship Note

I recently had a conversation with a friend about the variety of religious / Christian websites on the internet. He told me about one called 'Secrets Your Pastor Can't Share in a Sermon'. With a title like that I had to look at the next opportunity. I was caught by the second item which is about stewardship and wanted to share the item for this month's newsletter:

"Your offering is not a tip for a good sermon, nor are you paying for services rendered. Your stewardship, bringing your tithes and offerings to the community in which you worship, is a spiritual practice that comes right out of scripture. The people Jesus taught and healed lived in grinding poverty. And then there were the taxes, enforced by a brutal occupation army. Remember Matthew the Tax Collector and all those centurions running around? They weren't there for a parade. Yet Jesus still presumed the Hebrew practice of tithing. Failure to give appropriately is a spiritual problem. I know, and I am praying for you."

Stewardship / tithing is a spiritual discipline, something that is expected because of our relationship with Christ. Definitely something for each of us to pray about. If you would like to see them all the site is
